

FREE DOULAGIVERS LEVEL I END-OF-LIFE DOULA COMMUNITY CAREGIVER TRAINING

Friday, April 20, 6:00 - 9:00PM

Free Community Event, for family, caregivers, community volunteers, and anyone interested in learning how to support and care for loved ones facing the end of their lives.

What you will learn:

- *The 3 phases of end-of-life: Shock, Stabilization, and Transition.*
- *What interventions can be used in each of the 3 phases to ensure optimal comfort and care.*
- *Application of the learning through the use of case studies with real end-of-life scenarios to reinforce the knowledge presented.*
